

Video Interview with Carol Kent

You have selected the pre-conference option of a 5-minute video with Carol Kent. Carol has years of radio experience as an interviewer and interviewee.

This option involves a 15-minute time slot where you will have the opportunity to familiarize Carol with your ministry or book. Then, Carol will participate with you in a 5-minute interview style video that would be usable on your website, Facebook page, or on YouTube. You will be given a DVD or digital download of the interview to take with you.

Come prepared with:

- A sheet with your name at the top, followed by five bullet points that highlight who you are and what your ministry is (speaking, writing, leading)
- If you desire, a copy of your ministry materials (one-sheet on your ministry, a copy of your book/s for promotion) and a web address where people can request a copy – Please note: you do not need to be an author to have this interview, but if you have written a book, it would be a good idea for us to feature it in the interview.
- Ten questions you would feel comfortable answering that would best help people to understand your ministry (We may not get to all of the questions, so put your favorites first.) In a line at the bottom of this sheet, include the web address where people can find additional information on you, your book, or your organization.
- Two changes of clothing (to be sure you and Carol don't wear colors that clash in the interview)

Please email the as much of the above information as possible to Carol@CarolKent.org. That allows Carol to be fully ready for your interview.
